

Stop Cardinal Mahony's homosexualization of our Catholic schools and children via his mammoth dissent- fest!

Pro-"gays," priestess-pushers, New Agers and Pope-bashers
to "educate" tens of thousands of Catholic religion teachers

Millions of Catholic children's souls in grave danger worldwide

Dear Loyal Catholic,

It's unbelievable. Despite the devastation "gay" priests have wrought in the Church, Roger Cardinal Mahony still plans to subject tens of thousands of Catholics to three days of indoctrination by pro-"gay" speakers and other dissenters.

Cdl. Mahony's Religious Education Congress (REC), scheduled for Mar. 1-4, 2007, will be the largest dissent-fest ever. The 2006 REC drew a record 41,000 souls from the USA and abroad, and 2007's will be colossal, too. It'll take place in the giant Anaheim Convention Center in the adjacent diocese of his ally, Bp. Tod Brown.

The most disturbing part is, tens of thousands of religious education teachers will attend. Then, after the REC, they'll fan out across the USA and the world, teaching millions of Catholic boys and girls the errors they learned. But that's not all: some 10,000 young Catholics will attend a special Youth Day on Mar. 1. Imagine the false teachings these teens will take home with them!

Past keynoter accused of **attempted forced sodomy**

In the past, Cdl. Mahony has said he personally approves all the speakers. To see what kind of people he wants our religion teachers, children and grandchildren to learn from, just look at some of the radicals he's had at past RECs:

- **Fr. Timothy Radcliffe** In Cdl. Mahony's presence, the 2006 keynoter, a former Master General of the Dominicans, urged thousands of listeners to commit mortal sin by seeing

"Brokeback Mountain," the filthy "gay" cowboy movie that features scenes of sodomy, marital relations and male and female nudity, and to read "gay" novels. In 2005 he rapped the Vatican's then-pending document discouraging the admission and ordination of homosexual seminarians.

- **Gwynne Guibord** This "partnered" lesbian Episcopal priestess, once an official of the "gay" Metropolitan Community Church, is credited with persuading the National Council of Churches to scrap an endorsement of traditional marriage in 2000. Also, she endorsed the Sex Information and Education Council's (SIECUS's) manifesto that calls for "sexual and reproductive rights," i.e., killing preborn babies. On March 4, 2005, Cdl. Mahony's newspaper, *The Tidings*, ran a photo of her wearing a black shirt and Roman collar.
- **Abp. Rembert Weakland** The former Milwaukee prelate gave the keynote address at the 2001 REC. **Abp. Weakland resigned in 2002 after admitting he'd paid \$450,000 to a man who'd accused him of trying to rape him.** For years, **Abp. Weakland made his seminarians go through "Sexual Attitude Restructuring" (SAR),** a days-long program designed to destroy their Catholic morals and brainwash them into approving or practicing sinful and even lethal acts. **SAR immerses participants in films of men, women, children and animals committing depraved acts. It culminates in "F---arama," an orgy of XXX-rated pornography on multiple screens.**
- **Bp. Kenneth Untener** The late Bishop of Saginaw, Michigan, ran a sex-training program for his seminarians that made them watch pornographic movies. **In one film, several men committed lewd acts while discussing "the salvific mission of Christ."** The Vatican later shut down this seminary, reputedly a homosexual hotbed. Plus, Bp. Untener once stated, "The Church is seriously mistaken in its prohibition against women priests."
- **Fr. Gerald Coleman** This former rector of St. Patrick's Seminary in Menlo Park, California, backs pro-"gay" "domestic partner" laws, even though the Holy See has warned the U.S. bishops against those who seek to "manipulate the Church by gaining the often well-intentioned support of her pastors with a view to changing civil statutes and laws."
- **Rev. Richard Sparks** At the 2001 REC, the Berkeley Paulist spewed vile speculations about the Holy Family and even discussed his privates. (In 2006 he admitted he'd gone too far.) He was on the committee that set up sex ed guidelines to be imposed on Catholic schools. **He has said, "I am not anti-choice"** and has slammed the idea that truth is superior to dissent.
- **Bp. Donald Trautman** At the 2006 REC, the Bishop of Erie, Pennsylvania, criticized and poked fun at the proposed new Mass translations, e.g., the words "consubstantial,"

"Incarnate" and "His holy and venerable hands." He opposes "a return to devotionalism," "rigidity in rubrics" and "the liturgical mentality prior to Vatican II."

- **R. Scott Appleby** This Notre Dame academic co-edited a book that belittled "fundamentalist" Catholics who hold "a belief in God and in absolute truth...and a desire to be faithful to God by following church teaching." **They're "pathetically ineffective,"** he said, because they prepare people "for a world that no longer exists." **He included pro-lifers, homeschoolers and Pope John Paul II!**
- **Dr. Diana Hayes** In her keynote address to the Women's Ordination Committee in November, 1995, she declared, **"The Master's tools will never dismantle the Master's house; dismantling of the entire house is needed, from within and without,** using tools of our own creation."

Cardinal to unleash pro-"gay" and dissenting speakers

Despite years of complaints from loyal Catholics, Cdl. Mahony packs in dissenter after dissenter to infect tens of thousands of religion teachers. He often picks speakers associated with the radical Call to Action (CTA) group, which seeks to overthrow Pope Benedict XVI's authority and destroy the Church as we know it. (CTA's Web site displays a link to Frances Kissling's pro-abortion, anti-Catholic "Catholics for a Free Choice.") At last year's REC, one young attendee walked out of a priest's talk, saying it was so pro-"gay" that "it made my stomach hurt."

Nowhere among the 274 workshop topics for 2007 will you find "Magisterium," "*Catechism of the Catholic Church*," "*Humanae Vitae*," "contraception," "Adoration" or "Rosary." Here are some of the 198 speakers Cdl. Mahony has selected:

- **Rev. Bryan Massingale** The Cardinal's pick for Saturday keynote speaker, this Liberation Theologian from Marquette University publicly opposed Wisconsin's 2006 Marriage Protection Amendment, which that state's bishops backed, to ban "gay marriage" and "gay civil unions." In 2004 he told fellow priests **the "new Church" will be "more sensuous and feminine."** Also, he quoted Richard Schoenherr, who discerns a **"decline in sacramentalism and rise in Bible-based worship"** and a "change from a transcendentalist to a personalist construction of...sexuality."
- **Edwina Gateley** At the 1993 conference of CTA (at which she often speaks), **this radical feminist, New Ager and priestess advocate donned vestments and "celebrated" a "Mass."** She gave the keynote talk at Dignity USA's May, 2002, "gay" Catholic convention. Several bishops have barred her from speaking in their dioceses.
- **Fr. James Martin, SJ** He told the 2005 REC **we need "public models" of "healthy gay priests for Catholics to reflect on,"** to counter "the stereotype of the gay priest as child abuser." At the 2006 REC, he mocked and disputed the new Vatican document nixing ordination of homosexuals, saying it implied that they "are not fully human" and

that "gay priests are responsible for the sexual abuse crisis." "[Gay] seminarians and gay priests are the Church's new lepers," he whined, casting them as the victims.

- **Fr. Richard Rohr** At the March, 1997, pro-"gay" New Ways Ministry Symposium, he described his all-male retreats, in which men remove clothing and touch each other in "wounded areas," as he calls them. **Abp. Michael Sheehan of Santa Fe once reprimanded Fr. Rohr for presiding at a lesbian "wedding."** Also, Fr. Rohr advises Catholics to use the New Age/occult Enneagram.
- **Sr. Fran Ferder** She rejects the Church's teaching against non-marital sex as a sign of Vatican fixation at an adolescent psychological level. In the Dec., 1995-Jan., 1996 *Call to Action News*, she said, "The whole Church must hear what [homosexuals] are really saying, especially those gays and lesbians who do not experience their sexuality as a lifelong commitment to celibacy."
- **Fr. Michael Crosby** At the 2006 REC, this prominent Church-basher rapped "clericalism, sexism [sic] and heterosexism [sic]" and "unequal power...between homosexual and heterosexual people." At a 1999 CTA conference, he knocked the Vatican for "dictating" to the local bishops.
- **Jim Wallis** Cdl. Mahony's choice for **Sunday keynoter is this non-Catholic, far-left activist, who backed the Communists in Vietnam** and founded the *Post-American* magazine (now *Sojourners*). In 2006 he advised U.S. senators and representatives on ways to get believers to vote Democrat, even though that party is pro-"gay" and pro-abortion.
- **Thomas Groome** This laicized priest from Boston College wants not only women priests but also women bishops. He mocked Pope John Paul II's *Ad Tuendam Fidem* as "a pretentious attempt...to stifle conversation and dialogue" among theologians. **CatholicCulture.org says he dissents from "a wide range of Church teachings" and shows "an anti-Roman attitude" and "a deeply embedded skepticism in regard to the doctrinal content of Catholicism."**
- **Dr. Greer Gordon** At the 2006 REC, she rapped the Vatican's "assumption" that we must "curb the sexual urges or desires of our homosexual presbyters," but not of our heterosexual priests. The new document against "gay" ordinations is good in parts, she said, but could "force us into repressing people about their sexuality."

There are many more problematic speakers, such as Fr. Richard Fragomeni, but I don't have room to cover them all. Please note that many scheduled presenters aren't objectionable, and that Cdl. Mahony sometimes does have a few well-known "token" orthodox Catholic speakers. But he rarely invites them back, whereas he books the dissenters time after time--letting them deceive and mislead thousands more teachers, plus countless additional boys and girls to whom the teachers spread the errors.

Help us TAKE ACTION!

You're probably thinking, "There must be something can I do to oppose this scandal!" There is! CRCOA, Inc., is taking action to protect REC attendees from the false ideas Cdl. Mahony will spread at his REC and teach them Catholic truth instead.

We're informed lay Catholics who are 100 percent loyal to the Church's teachings. Here are some of the actions we've taken over the years...

- Picketed and prayed the Rosary outside Cdl. Mahony's annual dissent-fest
- Gave eye-opening flyers to thousands of attendees, warning them against errors being spread in the REC
- Ran full-page ads in *The Wanderer* and other Catholic newspapers (and in a local secular newspaper) exposing the dangerous dissenters Cdl. Mahony was bringing to his REC
- Ran a huge ad in this and other Catholic newspapers detailing Cdl. Mahony's shocking, 22-year record of protecting accused sex criminals and promoting the "gay" agenda in the Church
- Handed reprints of that ad to people entering Cdl. Mahony's ugly, \$200 million Modernist cathedral (a.k.a. "the Yellow Armadillo"), including those attending its grand opening
- Demonstrated at churches where Cdl. Mahony lets pro-"gay," pro-abortion "Catholic" politicians such as Gov. Arnold Schwarzenegger give grave public scandal by receiving Holy Communion
- Protested at Catholic campuses that honor pro-"gay," pro-abortion "Catholic" politicians such as Reps. Loretta and Linda Sanchez
- Picketed the U.S. Bishops' 2006 Spring Meeting and gave every bishop a blockbuster info-packet detailing Cdl. Mahony's long pro-"gay," pro-dissent history, and much more

Now it's time for us to take action against Cdl. Mahony's giant 2007 dissent-fest. But we can't do it alone. We need the help of loyal, pro-life Catholics such as you to mount the most effective protest we've ever carried out. We need your help to...

- ✓ Run this ad in other orthodox Catholic newspapers, alerting hundreds of thousands of faithful Catholics to what Cdl. Mahony is doing
- ✓ Print thousands of flyers to inform REC attendees about the pro-"gay," radical-feminist, heretical, anti-Pope messages that Cdl. Mahony's speakers will deceive them with, and what Rome teaches instead
- ✓ Pay for picket signs and large vinyl banners for demonstrators whom we hope the news media will photograph and televise outside the Congress

- ✓ Send news releases to the news media, inviting them to cover our demonstration
- ✓ Expose the 2007 REC's dissent to the world through our monthly newsletter and our Web site (www.crcoa.com)
- ✓ Take "special actions" against the REC that must remain confidential for now.

Join us, March 3rd from 9am to 6pm, at the Anaheim Convention Center on Harbor Blvd in Anaheim to pray with us, pass out flyers and hold picket signs!

Loyal Catholics' help needed immediately

With God's help, we've brought the truth about Cdl. Mahony and his pro-"gay" dissent-fest to millions. But now we need your help urgently to inform millions more. Your sacrificial gift of \$30, \$50, \$100, \$250, \$500, \$1,000 or any other amount will be a Godsend. It'll go to work immediately, helping us "inoculate" more people than ever against the dangers to their faith lurking within the REC. (By the way, no one in CRCOA, Inc., receives any pay.)

Any amount you send, whether a large gift or a "widow's mite," will be treasured. In gratitude for any gift of \$15 or more, we'll send you our eye-opening bi-monthly newsletter that exposes the "gay" agenda, dissent, heresy, abuses of power and anti-life deeds in the Church.

In thanks for any gift, we'll send you TWO FREE GIFTS: our shocking four-page ad reprint, "REVEALED: 79 Disturbing Reasons Why Cardinal Roger Mahony Must Go--Now," PLUS our NEW flyer, "12 Disturbing Reasons Why the American Bishops Must Admonish Most Rev. Tod Brown for Reprehensible Wrongdoing."

But whatever amount you send, please send it now. Cdl. Mahony's dissent-fest will be here soon. We need to run this ad in other papers, print flyers, make signs, send out news releases and carry out many other tasks before the REC opens.

Cdl. Mahony sneers at Catholics like you

Cdl. Mahony once publicly mocked CRCOA as "simple people, without influence" when we picketed his dissent-fest. That's how he and his dissenter friends see any loyal Catholic, including you. It's time to show the pro-"gays," priestess wanna-be's, New Agers and anti-Pope rebels just how much influence we loyal Catholics can have!

CRCOA has no source of funds but you. Please send the most generous TAX-DEDUCTIBLE sacrifice you can to CRCOA, Inc., today, and please remember us in your prayers daily.

Remember, Jesus commanded us to "Beware of false prophets, who come to you in the clothing of sheep, but inwardly they are ravening wolves" (Matt. 7:15). Millions of souls, mostly young Catholics' souls, hang in the balance. If we don't protect them, who will?

Thank you in advance for your generosity, dear friend. With all our hearts, we'll pray for your intentions, and those of your loved ones. May God and His Holy Mother richly reward you for your fidelity and sacrifice!

Gratefully yours in JMJ,

Kenneth M. Fisher

President

P.S. The Bible warns, "But though we, or an angel from Heaven, preach a gospel to you besides that which we have preached to you, let him be anathema" (Gal. 1:8). Yet thousands of Catholics will be seduced by false gospels at Cdl. Mahony's huge 2007 REC--three days laced with doubt, questioning, error and dissent. To "counsel the doubtful" and "instruct the ignorant" are the first two Spiritual Works of Mercy. Please help us save tens of thousands of religion teachers and countless Catholic children worldwide from the soul-threatening errors that pro-"gays" and dissenters plan to infect them with in March.

"For there will come a time when they will not endure the sound doctrine: but having itching ears, will heap up to themselves teachers after their own lusts, and they will turn away their hearing from the truth and turn aside rather to fables." II Tim. 4:3, 4
